

Disabled Liberation Visual Story

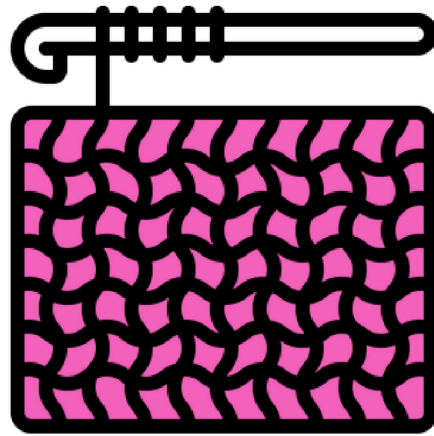

Disabled Liberation is an artwork that Colin made for their friend Katie.

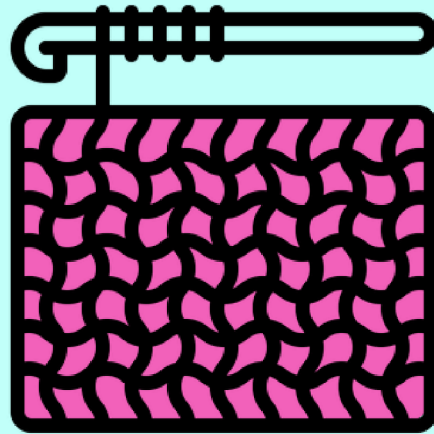

Colin and **Katie** are both **disabled** artists.

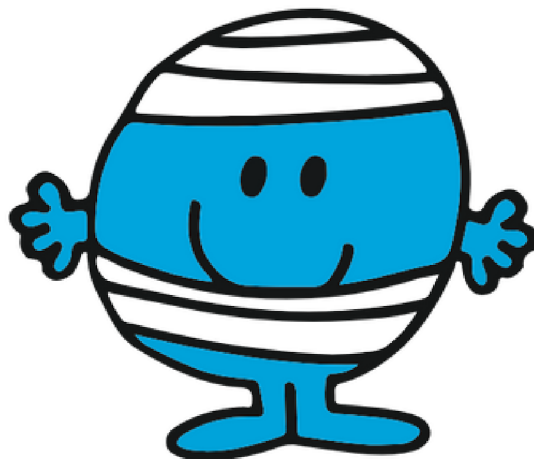

Colin

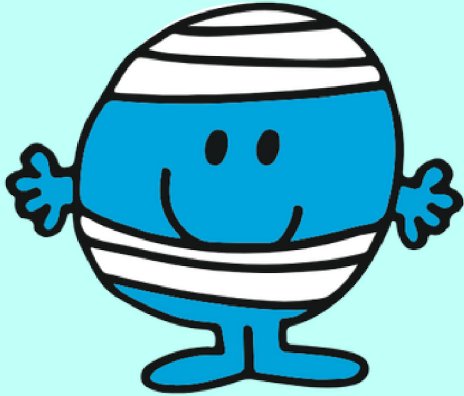

Colin made it with **crochet**.

Crochet is a bit like **knitting**,
but with a **special hook** rather than needles.

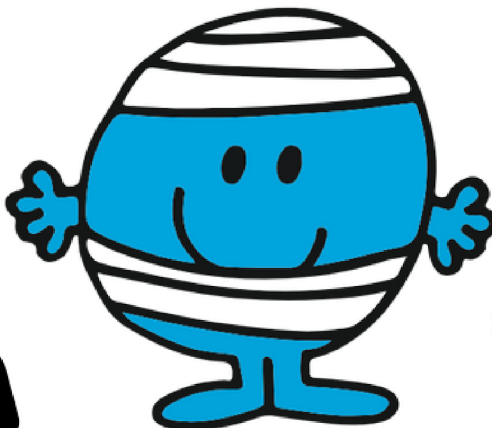

The artwork has a picture of **Mr Bump** on it.

Mr **Bump** is a character who is very **clumsy**.

Colin and **Katie** both have **disabilities** that make them very **clumsy** too.

So they like to **joke** about **Mr Bump** being **disabled**.

The artwork also has **Disabled Liberation** written on it.

Liberation is another word for **freedom**.

So **Disabled Liberation** means that **disabled people** should be **free to be themselves**.
